and in their Communities

Focus: PSEA has just added a number of exciting new events and programs! PSEA is always at work developing new programs that benefit the members as well as their local communities. Listed below are some of the venues that we are currently offering. Also, check our activities schedule on the reverse side for a more detailed listing of what is available in the upcoming months.

The PSEA & You has a new look!

This new layout for the PSEA & You is event oriented. The many activities which may be of interest to members are now presented in a quick-read, **be-sure-to-get-your-ticket** format. This layout will also be displayed on the PSEA website (www.PSEA.info) since more and more of our members wish to access PSEA information online. Of interest, this is also the first edition of the **PSEA & You** that is being sent only to members who have requested to continue to receive a printed version (by subscription request) via U.S.Mail.
